

Books Love & Taters Book Festival

Please allow us to introduce our organization and explain why your help is vital to our community.

Books Love & Taters Book Festival has been created to promote literacy and bring in Authors and Illustrators to our community. While promoting these people we also introduce children and adults to literacy. During the festival people will be able to meet authors, they can talk with them, take pictures, buy materials, and get autographs.

Books Love & Taters Book Festival will also be handing out free children's books (picture books to young adult) to the children that stop in our booth. These materials will be donated by the children's genre writing community, which includes authors, illustrators, and publishing houses.

Our goal is to raise \$2,000.00. Why do we need sponsorship from you? We will be able to incorporate our organization, maintain a web site, and rent bigger booth space and more equipment that will be needed as we expand.

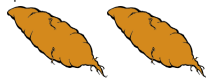

Perks for your contribution:

\$10 donation – 1 Tater

- ~Bronze Tater Certificate thanking you for your donation
- ~Listed on our website
